Dear Parent/Carer

This booklet has been produced by Warrington Borough Council as a guide to school admissions in the borough. It sets out the arrangements for the transfer of children to primary schools for the academic year beginning in September 2016 and gives details of how places are allocated.

The law gives parents/carers the right to express a preference for which school you wish your child to attend. It is very important that you understand that this is not the same as being able to choose a school. Admission to your school of first preference depends on meeting the criteria that are explained in this booklet and availability of places at that school. The booklet tells you about the schools in Warrington, how to apply for a place and what to do if we cannot meet the preferences that you express.

Please take the time to read the booklet carefully before completing your application, even if you have already decided which schools you prefer.

Each school produces a prospectus which contains a great deal of information about that school. It is also useful to visit the schools which interest you before completing the application form. Our schools welcome visits from prospective parents/carers; please telephone the school for a convenient appointment. If you have any queries about individual schools, do not hesitate to contact the Headteacher concerned.

Finally, please make sure that you submit your application before the deadline date, 15 January 2016, as late applications will normally only be considered after the main allocation of places is finished. If you do not submit your form on or before this date, it will reduce our ability to meet the preference for schools that you express.

Yours sincerely

Steve Reddy
Executive Director,
Families and Wellbeing Directorate

Information about schools

Admission Arrangements 2016/17

The admission authorities must have admission arrangements that clearly set out how children will be admitted to their school, including the criteria that will be applied if there are more applications received for the school than there are places available (Oversubscription criteria).

Admission arrangements must be determined annually by 15 April, even if they have not changed from the previous years and a consultation has not been required. The arrangements detailed in this book were determined on 15 April 2015. A copy of the arrangements is available to download from our website: www.warrington.gov.uk/admissions

Types of primary schools in Warrington

There are two types of primary school in Warrington. The names stand for the different roles which the local authority (LA) and school governors have in running the school. These are:

Community schools

The local authority (LA) is the admission authority for all community schools and deals with the allocation of places using the published admission criteria. The names, address, contact details, published admission number and how places were allocated for September 2015 can be seen on pages 17-35.

Faith schools

The governing body is the admission authority for the school and each school has their own admissions criteria. The LA administers the allocation of places on behalf of the governing body. The names, addresses contact details, published admission number and how places were allocated for September 2015 can be seen on pages 36-72

Details about Warrington primary schools

Junior Schools

There are two junior schools in Warrington. Both are community schools and have an associated infant school as listed below.

Broomfields Junior School associated infant school The Cobbs Infant and Nursery School
Thelwall Junior School associated infant school Thelwall Infant School

Transfer from infant to junior school is automatic and no application needs to be made.

Location map

A map on pages 46-47 of this booklet shows where all primary schools in Warrington are located.

Breakfast and after school clubs

A list of breakfast and after school provisions within Warrington is available from the Families Information Service on 01925 443131.

Obtaining more information about individual schools

- **Visit the schools**

It is a good idea to visit a number of schools in your area before deciding which one you would prefer your child to attend. Some schools have specific open days and others will arrange individual appointments.

- **School prospectus**

The Governors of each school publish a prospectus each year that provides information about their school. The prospectus is available from the school.

- **Ofsted inspection reports**

Summaries of inspections carried out by Inspectors on behalf of the Office for Standards in Education (Ofsted) are available in schools. Headteachers will provide information on the action plans which address issues raised in Ofsted reports. If you have access to the internet, Ofsted reports can be viewed on www.ofsted.gov.uk.

- **School performance tables**

Copies of the published primary school achievement and attainment tables for Warrington primary schools may be inspected in local libraries or are obtainable from the Department for Education by telephoning 0800 242322. If you have access to the internet, achievement and attainment tables can be viewed on www.dfe.gov.uk/performance/tables

Applying for first admission to reception for September 2016

Admission age

Legally your child reaches compulsory school age at the beginning of the term following his/her fifth birthday. However, in Warrington it is current council policy to provide education from the beginning of the school year in which your child is 5 years old. This means that a school place will be available in autumn 2016 for every child who was born on or between 1 September 2011 and 31 August 2012.

If your child is presently attending a nursery class please note you do not have an automatic right to transfer to the primary school to which this class is attached. You will need to state your preference for a primary school like all other parent/carers.

Deferred entry

If you prefer to defer your child's entry to a school until he or she is of compulsory school age this will be possible provided that the place is taken up within the same academic year. Parents can request that the date their child is admitted to school is deferred until later in that academic year or until the term in which the child reaches compulsory school age. Parents can request that their child takes up the place part-time until the child reaches compulsory school age.

The first few weeks of term

To help children adjust to school, schools may phase their intake over the first weeks of term with reception children attending on a part-time basis. Arrangements are determined at school level, but part time attendance will not last longer than the first four weeks of term.

Applying for schools outside Warrington

If you live in Warrington and wish to apply for schools in another local authority, you must do so on the Warrington application form. If you name a school outside Warrington you should obtain the information booklet from the relevant authority (contact details for neighbouring authorities are on page 81) to find out about a particular school you are interested in.

Applications from parents who live outside Warrington

If you reside in another local authority and wish to apply for a Warrington school, then you should read your home authority information booklet and complete their application form. (see page 81 for contact details on neighbouring authorities). **Under no circumstances should you complete more than one application form.**

Children with special educational needs

If your child has an Education, Health and Care Plan/Statement of special educational needs you should indicate this on your application form. Your application will then be forwarded to Warrington Borough Council's Inclusion Team to be processed.

NB: Parents of children currently undergoing assessment for special needs should still follow the procedures outlined in this booklet and complete a preference form for their child. Any allocation of a place will be in consultation with the Transforming Learning Division once the statutory assessment is completed.

Co-ordination of admissions

There are regulations which require all local authorities to co-ordinate admissions within their areas through close working with Faith schools and with neighbouring local authorities in accordance with a published scheme.

Under co-ordinated admission arrangements, applications **must be made to a parent's/carer's home local authority (the authority to which they pay their council tax)**. Warrington local authority will notify all parents/carers living within the borough of Warrington of the place allocated to their child, even if the place offered is at a school within another local authority. These arrangements are to ensure that every parent/carer living in a local authority receives an offer of one (and only one) school place on the same day.

Where the place allocated is at a Faith school, the governing body (as the admission authority) will make the allocation decision but the local authority will send out the letter on behalf of the governing body.

The scheme for co-ordinated admissions is available on request to the admissions team or can be viewed on the council's website: http://www.warrington.gov.uk/home/children_and_young_people/schools/admissions_for_schools/ (Determined primary admission arrangements 2016/17).

Oversubscription criteria

Sometimes there are not enough places at a school to satisfy every parent/carer who wants to send a child there. This is what is meant when a school is 'oversubscribed'. This is why we ask you to name more than one school in the order you prefer on the application form.

Oversubscription criteria are used to prioritise applications for places where the number of applications for a school is greater than the number of places available.

Supplementary information

This applies to applications for faith schools only

If a faith school is oversubscribed it may require supplementary information to that which is provided on the local authority application form.

If parents wish to put a faith school down as any of their preferences they should also contact the school to request a supplementary form which when completed and returned will give the school the relevant information to help them decide the correct oversubscription criterion your child falls under.

Definition of child's address

For allocation purposes the home address is defined as the address where the child normally lives, not a childminders or grandparent's address. Where a child lives with parents with shared responsibility the address given on the form should be the address of the parent who is in receipt of the child benefit and/or child tax credit. Proof may be required.

Change of circumstances/change of address

If you change address, you must inform us in writing. Documentary proof must be provided in the form of a copy of the exchange of contracts or if it is a rented property, the tenancy agreement, (for a minimum period of 6 months).

You should be aware that where a place is allocated at a school on the basis of your address, or having a sibling connection, and then you change address, or the older sibling leaves the school, this may result in the allocated place being withdrawn.

Address changes with supporting documentary proof can only be accepted up until Friday 1 April 2016. Any changes of address provided after this date will be dealt with after the allocation date, (15 April 2016).

Due to problems encountered in previous years it may be necessary for the admissions team to carry out further checks to confirm that addresses given are genuine, and so in certain cases you may be asked to produce additional documentary evidence of your child's address.

IMPORTANT NOTE

IF, ON YOUR APPLICATION, YOU HAVE INDICATED A CHANGE OF ADDRESS AND/OR DATE OF PROPOSED MOVE, IT REMAINS THE PARENTS'/CARERS RESPONSIBILITY TO INFORM THE ADMISSIONS TEAM AND PROVIDE DOCUMENTARY PROOF ONCE THE CHANGE OF ADDRESS HAS TAKEN PLACE.

Siblings

For the definition of a sibling please refer to the oversubscription criteria on pages 17 - 72.

Twins, triplets, etc

In respect of applications for twins, triplets etc the local authority will apply the oversubscription criteria in the normal way but will oversubscribe a school if a family would otherwise be split. Twins and children from multiple births may exceptionally be offered a place/places when one of the siblings is offered the last place at the school.

Factual/false information

It is assumed that you will always give us correct factual information. You should be advised that giving false information in respect of an application for admission may result in any offer of a school place being withdrawn.

Late Applications

All applications received after the closing date of 15 January 2016 may be dealt with after those which were received on time. You should be aware that a late application could reduce your chance of gaining a place at your preferred school. In some cases when an application is submitted after the closing date but before the allocation date it may be considered alongside those applications which were received on time where there is, in the view of the admissions authority, an acceptable reason for the late submission of the form.

Expressing and ranking your preferences

Order of preferences

From September 2008 following a change in the law, The Education and Inspections Act 2006 and the School Admissions Code, required all admission authorities to operate an equal preference system for dealing with applications to school.

Under the equal preference system the three preferences you name on the preference form will be treated equally. The preference order will only be used if your child fulfils the admission criteria for more than one of the schools you have listed on your preference form. If this is the case your child will be allocated a place at the school you placed as the highest preference, for which your child qualifies for a place. It is therefore important for you to name the schools you prefer in order of preference.

The number of preferences for a particular school can vary from year to year and over a period of years. We have shown on the list of Warrington schools which ones were oversubscribed for the previous school year and details of how many places were offered in each oversubscription criterion.

If we are not able to offer you a place at the school of your first preference, your second and third preferences will be considered alongside first preference applications for those schools. It is therefore very important that you take the opportunity to name three schools on the preference form.

Second and third preferences

If you do not name a second or third school, it does **not** mean you have more chance of getting a place at the school you have put first.

Please do not name a school more than once. This does **not** improve your chances of getting a place there. It means that if you do not obtain a place at the school, the admissions team does not know which other schools are of interest to you. You may lose priority for another school where you might otherwise have gained a place.

When preferences cannot be met

If we are not able to offer your child a place at any of your preferred schools, your child will be offered a place at the nearest school to the home address which has a place available. When this school is a Faith school any offer of a place would be made in agreement with, and on behalf of, the governing body, as admission authority for the school.

Changes to preferences

You can make changes to your application form up until the 15 January 2016. All you need to do is go back to the online application form, (you will need your username and password), make your changes **AND THEN YOU MUST RE-SUBMIT YOUR APPLICATION. IF YOU DO NOT RE-SUBMIT, YOUR APPLICATION FORM WILL NOT BE REGISTERED.**

After the closing date, the on-line facility will be unavailable. Any change of preference will only be accepted after 15 January 2016 if there is, in the opinion of the admissions authority, a genuine reason for doing so, for example if you have moved address*. Once places have been allocated (after 15 April 2016), you may then request a change of school but it may be difficult to meet your revised preference. All requests for a change of preference must be made in writing.

* Please remember that address changes with supporting documentary proof will only be accepted up until Friday 1 April 2016. Any later changes of address will be dealt with after the allocation date of 15 April 2016.

Waiting lists and appeals

Waiting lists for school places

Waiting lists for oversubscribed schools will be maintained for the transfer age group until the end of the Autumn Term (December 2016). This is because vacancies sometimes arise after the initial allocation of places has been made.

Where parents are refused one of their preferences, their child's name will be automatically added to the waiting list for that school. If vacancies arise they will be offered to children on the waiting list.

How the waiting list is prioritised

Waiting lists are held strictly in oversubscription criteria order. If you change address during the time the waiting list is held, documentary proof of the address change will be required. The order of the waiting list can change as applicants leave or join the list, or as the circumstance of the applicant change e.g. change of address, sibling joining or leaving the preferred school.

Appeals procedure

If your child is refused a place at any school for which you have expressed a preference, you have the right to appeal against this decision. This applies whether the school is community or faith.

The letter telling you that a place cannot be offered to your child will include details of how to appeal if you wish to do so. The letter will also tell you the time limit within which you can appeal where appropriate. A letter acknowledging receipt of your appeal paperwork will be sent to you.

Before deciding whether to appeal, you will probably want to think about the published policy for admitting pupils appropriate to the school, your reasons for wanting your child to attend the school, your child's view of what school he/she should attend and how strong a case you have. You may also want to visit the school where you have been offered a place.

Appeals are passed to the clerk to the appeals panel who then provides further advice for appellants on the procedures followed.

If your appeal is successful there will be no assistance with transport unless you qualify under the local authorities transport policy.

If your appeal is declined you are not able to appeal again for the same school for the same academic year unless there has been a material change of circumstances (e.g. change of residence) or the circumstances of the school have changed.

NB: For pupils who have a statement of special educational needs any appeal with regard to the school named in the statement would be to the special educational needs and disability tribunal rather than the independent appeals panel.

Appealing against admission decisions for Key Stage One (Infant) children

The Schools Standards and Framework Act 1998 require that from September 2001 no five, six or seven year old in an infant class at a maintained school will be in a class of more than 30 pupils. If your preference for a primary school is refused because the class has reached its statutory limit, you will have the right of appeal but this category of appeal can only be upheld if an Appeal Panel is satisfied:

- (a) that the decision was not one which a reasonable admission authority would make in the circumstances of the case; or
- (b) that the child would have been offered a place if the admission arrangements had been properly implemented.

More detailed information about this will be provided if it is not possible for your first preference of school to be met.

How to apply - completing your application

IMPORTANT NOTE

YOU ARE STRONGLY ADVISED TO READ THIS BOOKLET BEFORE MAKING YOUR APPLICATION

The application process

All parents even those who have visited the online application facility before need to register in order to apply for a place at a primary school for September 2016.

To register

Go to our website www.warrington.gov.uk/admissions, click on [register now](#) and complete all the boxes marked with a *red asterisk. After clicking [next](#) you will be prompted to provide a password and then click [complete registration](#). An email will then be sent to you confirming that your details have been accepted and it will contain a unique link to your application. Once you have clicked on this link you will be able to complete your application.

Please note without this link you will not be able to access the application form

Frequently asked questions

- **When can I use the online system?**

The online system is available 24 hours a day, seven days a week up to midnight on the closing date of 15 January 2016. If you are applying after that date you will need to contact the admission team for a paper form.

- **Will my application be secure?**

Yes, the system has a series of security features which will prevent others from seeing information they are not entitled to see.

- **Having submitted an online application, will I be able to change my preferences?**

Yes, up to the closing date for receipt of applications - 15 January 2016. However you should note that if you revisit or edit your submitted application you must re-submit or the original application will be lost.

- **How will I know that the amendments have been logged?**

Every time you re-submit the online application, you will receive an email notification confirming the status of the application.

- **What do I need to apply online?**

All you need is access to the internet and your child's details.

No internet access or email account at home

If you do not have access to the internet, you can use facilities at your local library or call to see us at our drop in surgeries. The surgeries will be at the contact centre where you can sit down with a member of the admissions team and complete the form. You will receive a receipt to prove that you have submitted a form for your child.

Drop-in surgeries

Drop in surgeries are open from 14 October 2015 until 13 January 2016.

- **When?**

Wednesday 10:00am - 4:00pm

- **Where?**

Contact Centre
Horsemarket Street
Warrington
WA1 1XL

Please feel free to contact the school admissions team if you have any further questions on 01925 446226.

PLEASE NOTE

If any of your preferences are for Faith Schools then as well as the online application form the schools supplementary form should also be completed. The supplementary forms are available from each individual school.

Community primary schools

The following pages detail the community primary schools within the borough of Warrington. A brief description of the admission criteria is included with the information provided.

None of the criteria guarantee placement

Oversubscription criteria are used to establish an order of priority for allocating places when the number of applications for places exceeds the number of places available.

Children who have a statement of special educational needs will be admitted to the school named in the statement over and above the oversubscription criteria.

Oversubscription criteria for 2016/17 (full policy can be viewed on our website)

1. Children in care and children formerly in care.*
2. Siblings (pupils with elder brothers or sisters already attending the preferred school and expected to continue at the school in the following school year. This includes full, half or step brothers and sisters and foster brothers and sisters who are living at the same address as part of the same family unit)
3. Pupils for whom advice from a medical practitioner or psychologist has been provided by the parents/carers at the time of application in support of admission to a particular school, which, in the council's view, justifies admission to the preferred school. The council, if it is considered appropriate, will seek the views of the school medical officer or educational psychologist in the event of parents requesting admission on medical or psychological grounds.
4. Pupils living nearest to the school measured as a direct distance from the child's permanent place of residence to the school measured using a geographical Information address point system based on the local land and property gazetteer. This measures straight line (direct) distances in miles from the address point of the permanent place of residence to the address point of the school.

NB Where a school reaches its published admission number from pupils within one of the categories listed above, those pupils to be admitted from within that category will be those whose permanent places of residence are closest to the school as defined in oversubscription criterion four.

For the purpose of dealing with applications for admission on the grounds of a sibling being in attendance, separate infant and junior schools will be regarded as a single unit

* Children in Care and children formerly in Care is defined as looked after children and previously looked after children who have ceased to be in Care because they have been adopted or became subject to a residence order or special guardianship order.

Tie Breaker

A tie breaker must be applied to decide which applicant will be offered the last place at a school when two or more applicants cannot otherwise be separated.

In the event of the distances (in miles) being the same for two or more applicants and the last place to be allocated would be to one of these applicants, the measurements would be taken again in kilometres and the place will be offered to the applicant living nearest to the school in kilometres.

In the event that the distances measured in kilometres are the same, a random allocation will be applied.

Faith primary schools

The following pages list all the Faith primary schools within the borough of Warrington. A brief description of each school's admission criteria is included in the information provided for each school.

Please note: the tables on the following pages refer to places allocated using the admissions policy 2015/16

You need to be aware that when applying for a place for your child in a reception class at a Faith primary school you must:

- complete the local authority preference form, and
- complete the supplementary application form supplied by the school.

You should also obtain from the school a copy of their full admission policy. This should be supplied to you with the application form for admission.

All references to children in care, children in public care include children formerly in care. Children formerly in care is defined as children who have ceased to be in care because they have been adopted or became subject to a residence order or special guardianship order.

Important points to remember when applying for a place in a Faith primary school:

1. The governing body of the school is the admissions authority for the school not the local authority. The governing body allocates places at the school.
2. Religious education, collective worship and the whole ethos of the school are based on the teaching of the Church of England and the Catholic Church.
3. Members of the church and the diocese have contributed to the building of the school and continue to pay towards it's upkeep.
4. Applicants are sometimes required to supply supporting letters from members of the clergy. Please refer to the school's full admission policy for their requirements.
5. In accordance with the requirements of the DfE regulations on co-ordinated admissions Faith schools follow the same timetable for receipt of applications as the one used by the local authority and detailed on page 4 of this booklet.
6. Arrangements for admission to Faith schools are reviewed annually in line with statutory requirements.
7. Parents who are refused places at a Faith school have a statutory right of appeal to an independent appeals panel. Appeals must be made in writing and addressed to the admissions team. However under the Schools Standards and Framework Act 1998 the powers of these Appeals Panels are curtailed in line with the infant class size legislation. Please see page 78 of this booklet for information on appeals.
8. All children who are refused a place will automatically be placed on the waiting list.
9. Further information concerning ecclesiastical (church) parish areas and boundaries and other factors affecting admissions to Faith schools should be obtained from the school.
10. Requests for further information or arrangements to visit the school should be made with the headteacher.

Oversubscription criteria for 2016/17 (the full policy is available from the school)

1. Children in care or children formerly in care who have ceased to be so because they have been adopted or became subject to a residence order or special guardianship order.
2. Siblings (pupils with elder brothers or sisters already attending the preferred school and expected to continue at the school in the following year. This includes full, half or step brothers and sisters and foster brothers and sisters who are living at the same address as part of the same family unit.)
3. Children whose family is actively involved in the life and worship of The Church of the Transfiguration, or in another church as recognised by Churches Together in England, and confirmed by reference from the local Minister.
4. Children of families worshipping at the Church of the Transfiguration, Birchwood or in another church as recognised by Churches Together in England.
5. Children whose parents are communicant members of the Church of England who do not live in Birchwood but have expressed a preference for the school.
6. All other children.

In the event of the total number of applications exceeding the number of places available, the Governing Body will offer places to children living nearest to the school defined 'as the crow flies' from the child's permanent place of residence to the school, measured using a Geographical Information Address Point system based on Ordnance Survey. This measures straight line distances from the address point of the permanent place of residence to the address point of the school.

NB: If a child is presently attending Birchwood CE Nursery, s/he is not guaranteed a place in the Primary School.

Oversubscription criteria for 2016/17 (the full policy is available from the school)

1. Children in Care, or children with proven and exceptional medical and social needs, where admission to the school might best help satisfy those exceptional needs. Children in Care includes any "looked after child" and any child who was previously looked after but immediately after being looked after became subject to an adoption, residences or special guardianship order. Applications for children with proven exceptional medical or social needs must include appropriate evidence or reports from a doctor, social worker or other professional agency.
2. Children whose parents are actual communicant members and regular (defined as at least once monthly) worshippers of the Church of England and attend Christ Church, Padgate, or another local church which is part of 'Churches Together'. Applicants must submit a written reference from their Minister as confirmation of their commitment. In the event of any interregnum Church Wardens or their equivalent will be able to sign forms.
3. Children who will have an older brother/sister attending the school and expected to continue at the school in the year when the younger child would be admitted. (This includes full, half or step-brothers and sisters and foster brothers and sisters who are living at the same address as part of the same family unit).
4. Children living within the historical parish (i.e. boundaries as defined in June 2000) of Christ Church, Padgate (a map showing the parish boundaries is available at the school).
5. All other children by distance (as measured by the local authority).

All consideration of admission applicants will be under an 'equal preference' system operated by the school in conjunction with Warrington local authority.

When deciding between candidates who have equal entitlement under the above criteria, the governors will have regard to pupils living nearest to the school, from the child's permanent place of residence, as measured using a Geographical Information Address Point System based on Ordnance Survey.

Partner high school - Culcheth High School

Oversubscription criteria for 2016/17 (the full policy is available from the school)

1. Children in Public Care. (This includes any 'looked after child' and any child who was previously looked after but immediately after being looked after became subject to an adoption, residences or special guardianship order).
2. Children whose parents/guardians are regular worshipping members of St.Helen Hollinfare, are involved in the work and worship of the Church and who are on the Church's Electoral Roll. (Regularly means attending once or more a month for more than one year. A reference from a Church Officer will be required as proof of attendance).
3. Children resident within the bounds of the ecclesiastical parish of St Helen Hollinfare, or for whom St Helen's CE Primary School is the nearest Primary School. ('Resident' refers to the child's permanent home at the proposed date of admission).
4. Children whose parents/guardians are regular worshipping members at another C of E Church, or who are members of another Christian denomination and are able to demonstrate commitment to the denomination, and for whom this is the nearest Church School. (Regularly means attending once or more a month for more than one year. A reference from a Church Officer will be required as proof of attendance).
5. Brothers and sisters of children already attending St Helen's School and expected to continue at the school during the following year. (This includes full, half or step brothers and sisters and foster brothers and sisters who are living at the same address as part of the same family unit). (Where there are twins, triplets wanting admission and there is only a single place left within the admission number, then the governing body will exercise as much flexibility as possible with the requirements of infant class sizes. In exceptional circumstances we are now able to offer places for both twins and all triplets, even when this means breaching the infant class size limits. This may also apply to siblings who are in the same year group).
6. Children who have exceptional social and/or medical reasons for wishing to attend the school (documentary evidence may be required).
7. Children who do not appear in any of the above categories.

After the admission of children in category (1) above, if at any stage of the admissions procedure the available places are then over-subscribed, the priority order set out in section A below will be applied and the admissions panel shall have regard to all the following points to order the applications within any one category:

- a) Children whose parents/guardians are practicing members of the Church of England.
- b) Proximity of home to school. This will be measured 'as the crow flies' from the child's permanent place of residence to the school, measured using a Geographical Information Address Point System based on Ordnance Survey, as used by the Local Authority.
- c) Exceptional social, medical or religious reasons (supporting letters from Social Worker, Medical Specialist or Minister of Religion will be required and these should be forwarded to the school in a sealed envelope).

- Children in care or children formerly in care who have ceased to be so because they have been adopted or became subject to a residence order or special guardianship order.
- Children with proven and exceptional medical and social needs where admission to the school might best help satisfy those exceptional needs, providing that such an application is submitted with appropriate evidence or reports from a doctor or social worker.
- Siblings (pupils with older brothers and sisters already attending the preferred school and expected to continue at the school in the following year). This includes full, half or step brothers or sisters and foster brothers and sisters who are living at the same address as part of the same family unit.
- Children whose families/legal guardians/carers are regularly and habitually involved in the life and worship of one of the West Warrington Team of Church of England Churches: St James, Westbrook; St Mary, Great Sankey; St Paul, Penketh; St Philip, Westbrook; The Ford, Chapelford. This is taken to mean a minimum of 12 months prior to the closing date for applications for that year. The form confirming regular attendance should be completed by the appropriate minister and returned with the original application. It is the responsibility of the parent to return the form to the school by the closing date. The Governors reserve the right to contact the minister in order to verify the authenticity of the completed form.
- Children whose families/legal guardians/carers are regularly and habitually involved in the life and worship of another Christian Church as recognised by Churches Together in Britain and Ireland. This is taken to mean a minimum of monthly attendance at Church for a minimum of 12 months prior to the closing date for applications for that year. The form confirming regular attendance should be completed by the appropriate minister and returned with the original application. It is the responsibility of the parent to return the form to the school by the closing date. The Governors reserve the right to contact the minister in order to verify the authenticity of the completed form.
- Children who reside in the Parish of St James.
- Children who do not meet any of the above criteria.

Oversubscription criteria for 2016/17 (the full policy is available from the school)

1. A 'Child in Care' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order as defined in the Admissions Code 2011.
2. Children who have an older sibling who will still be attending St. Matthew's School the following year.
 - Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.
3. Children whose parents are faithful and regular worshippers at St. Matthew's Church, Stretton, St. Cross Appleton Thorn or another church recognised by Churches Together in Britain and Ireland.
 - Attendance should be once a month for at least a year prior to the application; it is sufficient for just one parent to attend.
 - A parent is any person who has parental responsibility or care of the child.

Parents applying under this criterion should complete the supplementary form which should be signed by their vicar/the recognised Church leader to verify attendance.

4. Children with proven and exceptional medical and social needs (supported by professional evidence), where admission to the school would best help satisfy those exceptional needs.
5. Children whose permanent place of residence is closest to the school. This is measured as the crow flies from the address point of the home to the address point of the school. In the event of a tie-break a random paper draw will be undertaken by an independent body.

Oversubscription criteria for 2016/17 (full policy is available from the school)

- A. Children in care or children formerly in care who have ceased to be so because they have been adopted or become subject to a residence order or special guardianship order, who come from a church background.
- B. Children in public care or children formerly in care who have ceased to be so because they have been adopted or become subject to a residence order or special guardianship order.
- C. Children whose families are regularly involved in the life and worship of St Barnabas Church (i.e. at least twice a month).
- D. Children who have a brother or sister in the school in the year of admission**.
- E. Children whose parents live within the parish of St Barnabas and regularly worship at another church*. Applicants must submit a written reference from their incumbent as confirmation of their commitment.
- F. All other children.

If there are more applications falling within any of the above criteria than there are places available, priority will be given to those living nearest the school (see below). A waiting list, prioritised in oversubscription criteria order, will be held until the end of the Autumn Term 2015.

Applicants claiming active association with the life and worship of any church must be supported, at the time of application, by a written declaration from the Minister.

* Those who participate within Churches Together in England and Wales.

** This includes full, half or step brothers and sisters and foster brother and sisters who are living at the same address as part of the same family unit.

Oversubscription criteria for 2016/17 (full policy is available from the school)

1. Children in care or children formerly in care¹.
2. Children with an exceptional medical/social need where admission to the school might help them satisfy that need²
3. Children whose parents attend worship at St Oswald's Church, Winwick on a regular basis³
4. Children who have a sibling who will be still attending the school at the time of admission.
5. Children whose parents attend another Christian⁴ Church on a regular basis and are resident within the parish of St Oswald's Winwick.
6. Any other child who does not appear in any of the above categories.

1 This includes any 'looked after child' and any children formerly in care who have ceased to be so because they have been adopted or become subject to a residence order or special guardianship order.

2 Applicants in this category will need to complete the Medical/Social reference form or be supported by a letter from an appropriate professional.

3 Regular basis is deemed to be one Sunday a month for at least a year. Applicants will be required to get a member of the clergy to complete the Clergy Reference Form.

4 Christian Church belonging or affiliated to CTBI.

Transfer between primary schools

In Year admissions

In year admission applications are those requesting transfer from one school to another outside of the normal admissions round, for example when a family moves house part way through a school year.

Generally a child will be admitted to another school if there is a place available in the required year group, with the exception of those children whose circumstances meet the requirements of the Fair Access Protocol. Further information on the Fair Access Protocol can be found on page 76.

If your request for an in year transfer is not because of a change of address or relocation from overseas, you are strongly advised to think carefully before you transfer your child to another school since this causes an unnecessary break in your child's education. Problems that your child may be experiencing may not go away simply as a result of a change of school. If you are worried about your child's progress at school you are advised first of all to discuss matters with the headteacher. Whenever possible, it is better for transfers to take place at the beginning of a term.

To Apply

Application forms and further information on the in year transfer process are available on our website www.warrington.gov.uk/admissions or by contacting the Admissions Team on 01925 446226.

Exceptional circumstances

If you have just relocated to Warrington or relocated within Warrington and are refused all of your preferred schools, the authority has a statutory duty to ensure that an alternative school is offered to your child which is within a reasonable distance from your home address. Where the school is a Faith school or Academy, any offer will be made in agreement with and on behalf of the school's admission authority.

If there are no places available within a reasonable distance from your home address, the authority must decide which school is the appropriate school to offer based on the circumstances of both the applicant and the school.

The local authority will consult the Headteacher at the school to decide whether or not, on balance, the prejudice caused to the child by not admitting them to a particular school outweighs the prejudice caused to the school by admitting the child. The authority would make every effort to share such requests between schools which are local to the applicant's address, when it is reasonable to do so.

NB: Proof of a change of residence will be required in the form of a copy of an exchange of contracts or if moving to a rented property a tenancy agreement of a minimum period of 6 months.

Where all the above statements do not apply, you will be offered the right of appeal.

Taking up an offered place

Where a place is offered at a school as an in-year admission (i.e. not first admission to either primary or secondary school) the parent would be expected to admit the child to the school within 6 school weeks of the offer of a place. This applies where:

- an available place has been offered, or
- a place has been offered at an oversubscribed school under the test for exceptional circumstances
- a place has been offered as a result of a decision of the Independent Appeals Panel.

Appeals procedure

If your child is refused a place at any school for which you have expressed a preference, you have the right to appeal against this decision. This applies whether the school is community or faith.

The letter telling you that a place cannot be offered to your child will include details of how to appeal if you wish to do so. The letter will also tell you the time limit within which you can appeal where appropriate. A letter acknowledging receipt of your appeal paperwork will be sent to you.

Before deciding whether to appeal, you will probably want to think about the published policy for admitting pupils appropriate to the school, your reasons for wanting your child to attend the school, your child's view of what school he/she should attend and how strong a case you have. You may also want to visit the school where you have been offered a place.

Appeals are passed to the clerk to the appeals panel who then provides further advice for appellants on the procedures followed.

If your appeal is successful there will be no assistance with transport unless you qualify under the local authorities transport policy.

If your appeal is declined you are not able to appeal again for the same school for the same academic year unless there has been a material change of circumstances (e.g. change of residence) or the circumstances of the school have changed.

NB: For pupils who have a statement of special educational needs any appeal with regard to the school named in the statement would be to the special educational needs and disability tribunal rather than the independent appeals panel.

Appealing against admission decisions for Key Stage One (Infant) children

The Schools Standards and Framework Act 1998 require that from September 2001 no five, six or seven year old in an infant class at a maintained school will be in a class of more than 30 pupils. If your preference for a primary school is refused because the class has reached its statutory limit, you will have the right of appeal but this category of appeal can only be upheld if an Appeal Panel is satisfied:

- (a) that the decision was not one which a reasonable admission authority would make in the circumstances of the case; or
- (b) that the child would have been offered a place if the admission arrangements had been properly implemented.

More detailed information about this will be provided if it is not possible for your first preference of school to be met.

Fair access protocol

Each local authority must have a Fair Access Protocol agreed with schools in its area including Academies Faith and Free Schools, to ensure that, unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible.

The School Admissions Team assess applications to identify those which meet the requirements of the Fair Access Protocol. The criteria for primary aged children are as follows:

- a. Children from the criminal justice system or Pupil Referral Unit (PRU) who need to be integrated into mainstream school;
- b. Children who have been out of the UK education system for 2 months or more;
- c. Children of gypsies, Roma, travelers, refugees and asylum seekers;
- d. Children who are Homeless;
- e. Children with unsupportive family backgrounds for whom a place has not been sought;
- f. Children who are carers;
- g. Children with SEN, disabilities or medical conditions (but without a statement);
- h. Keystage one children whose attendance is less than 85%
- i. Keystage two children whose attendance is less than 90%;
- j. Children who have accessed support from New Horizons;
- k. Children who have required behavior support;
- l. Children who have had a period of exclusion during the last 12 months to date;
- m. Children who have been permanently excluded;
- n. Children who have required support from other agencies
- o. Number of school moves during the last academic year;

Once applications meeting the Fair Access criteria have been identified, an admissions officer will assess each application.

General information

Early Years Education

The Childcare Act 2006 places a duty on local authorities to secure sufficient high quality early years education and childcare in all local communities. Warrington's childcare strategy seeks to establish the provision of sufficient early years education for all three and four year olds across a range of providers in the private, voluntary, maintained and childminder network sectors.

All 3 and 4 year olds are entitled to up to 15 hours free early years education for 38 weeks of the year. This can be taken flexibly over a minimum of 2 days and no more than 10 hours per day.

All Warrington resident children are eligible to receive a free nursery education place from the term following their third birthday. To access your free place you can:

- Take up a free place in a nursery school/class OR
- Take up your free place from a private day nursery or pre-school OR
- Take up your free place from registered childminders who have attained good or above Ofsted outcomes and a Level 3 qualification.

The local authority funds all schools and private and voluntary settings registered by Ofsted to deliver early years education. This funding ensures that the 15 hours are free at the point of delivery to all parents/carers.

Parents/carers can use the free 15 hours early education place with no more than two providers. Further information relating to places in maintained nursery schools, classes, pre-schools and private day nurseries in the borough can be obtained from the Families' Information Service on 01925 443131. A booklet is published on nursery education. You may obtain a copy from the admissions team by calling 01925 446226 or alternatively visit the website www.warrington.gov.uk/admissions

2 year old Nursery Funding

Warrington is able to fund a limited number of two year old children to attend nursery for 15 hours per week, usually in term time. Children may be eligible for the entitlement from the term after their second birthday. This can be taken flexibly over a minimum of 2 days and no more than 10 hours per week. Families will need to meet one or more of the following criteria for their child to be eligible for a free nursery place:

- Income support
- Income-based jobseekers allowance
- Income-related employment support allowance
- The guarantee element of state pension credit
- Child Tax Credit or working Tax Credit and have an annual gross income below £16190 (as assessed by Her Majesty's Revenue and Customs)
- Working tax credit 'run-on' the payment someone may receive for a further four weeks after they stop qualifying for working tax
- If a 2 year old has a current statement of SEN or an Education Health and Care Plan
- If the 2 year old attracts Disability Living Allowance (families must submit a copy of their current award letter received from the Department of Work & Pensions dated within the last 12 months).
- If the 2 year old is looked after by their local authority
- If the 2 year old has left care through special guardianship or an adoption or residence order

Additional criteria

A professional who is working with a family can also nominate a child who requires additional support with their development in areas including speech and language, behavioural/emotional issues, development delay or physical development.

School meals

Currently school meals are available in all schools. In some primary schools there is a set meal and in others a choice of menu. Facilities are provided in all schools for pupils to eat snack meals brought from home.

Universal infant free school meals

From September 2014 all state funded schools will provide children in years Reception, Year 1 and Year 2 with a free school meal. Further information can be obtained from the school.

Free school meals

For all other year groups if you are receiving:

- Income Support or
- Jobseekers Allowance (income based) or
- Child Tax Credit but only those who are not entitled to Working Tax Credit* and whose annual income [as assessed by the Inland Revenue] does not exceed £16,190 [subject to annual review] or Working Tax Credit 'run-on' - the payment someone may receive for a further four weeks after they stop qualifying for Working Tax Credit
- Support under Part VI of the Immigration and Asylum Act 1999 or
- The Guarantee Element of State Pension Credit
- Income related Employment and Support Allowance
- Universal credit

You will be entitled to free school meals for children who are attending school.

For an application form, please visit the council website at

http://www.warrington.gov.uk/home/children_and_young_people/schools/free_school_meals/.

Alternatively, please telephone 01925 446226 and ask for a free school meals form.

Clothing and uniform

Headteachers, in consultation with school governors, decide whether or not there should be a school uniform. Details of uniform, where appropriate, are given in each school's prospectus, which can be obtained from the school.

The local authority does not help parents with the cost of school uniform or physical education kit. All pupils are expected to conform to a reasonable standard of clothing and personal appearance. Parents are asked to try to ensure that pupils attend school suitably dressed.

Transport to and from school

The local authority is required by law to provide or pay for free transport by the most economic means for pupils who have to travel more than a certain distance to their nearest suitable school.

For pupils at primary schools this distance is over two miles, measured by the shortest available walking route.

If you state a preference for a school which is not the nearest appropriate school at which a place is available, your child will not normally be granted travel assistance.

Where preferences are based on a parent's religion or belief the transport policy outlined above is applied to the church schools where areas generally coincide with ecclesiastical parishes.

Assistance may take the form of:

- Travel pass for use on public transport
- Travel pass for use on private contract services
- Cash grant
- Mileage allowance payable to parents
*these are only paid where there is no suitable local bus, rail or contract service available.
- Cycle maintenance grant

Sustainable school travel

As part of the initiative to make access to education sites easier and to reduce traffic and parking congestion around schools, the council is working with schools on the school travel plan programme. All schools are required to have effective travel plans in place to ensure that students wishing to walk or cycle are able to do so safely. If your chosen school is implementing its plan it will be supporting walking and cycling to school by promoting it as a healthy option and highlighting safer routes to the school. The council's school travel adviser can help plan routes and give advice on road awareness and safety as well as park & stride schemes and walking buses. Details are available through the school or by contacting the transport planning team on 01925 443414 .

The school curriculum

All primary schools maintained by the authority must offer a curriculum which covers the Foundation Stage and the National Curriculum Key Stage 1 and Key Stage 2. They must also provide the associated Foundation Stage and Key Stage 1 and 2 assessment arrangements for pupils.

The curriculum includes at Foundation Stage six areas of learning and at Key Stage 1 and 2 the core and foundation subjects and religious education. If you need detailed information about the curriculum please ask your child's school.

Governing bodies of primary schools must consider whether sex education should form part of their school's curriculum beyond what is already contained in the science curriculum. Teachers are aware of the need to treat sex education sensitively and in appropriate groupings of pupils. The school should keep a written record of their decision and consult parents about their sex education programme.

Parents have the right to withdraw their children from all or any part of sex education except where this is provided as part of the National Curriculum.

All primary schools must provide RE and collective worship but parents do have the right to withdraw their children from RE and/or collective worship if they wish. In aided schools religious education is given in accordance with the school's trust deed.

There is a procedure for considering complaints about the curriculum, religious education, collective worship and related matters. Please refer, in the first instance, any complaint to the school and then its governing body in line with the school's complaints policy.

Children with special educational needs

Most children with special educational needs will attend an appropriate mainstream school where the governing body will be responsible for ensuring their needs are met. A small number of children who have special educational needs which cannot be met from within the resources normally available to children of a similar age will be assessed by the authority in accordance with the procedure laid down in the Children and Families Act 2014 and in accordance with the Code of Practice 2014. Assessments are carried out after consultation with parents or guardians who are given full details of the results of assessments.

For children where an Education Health and Care needs assessment has been carried out and an Education Health and Care Plan is issued, dependent on the outcome of the assessment, these children can have their needs provided for in either mainstream schools, designated provisions attached to mainstream schools, or special schools. Any appeal with regard to the school named in the statement would be to the special educational needs and disability tribunal (SEND).

A leaflet entitled 'Special Needs Provision in Warrington' is available from the SENDIAS (Special Educational Needs, Disability Information Advisory Service) on 01925 442978.

Discipline and exclusions

Schools are aware that they share responsibility for the behaviour of children in their care. All school governing bodies maintain a written statement of general principles for their school's behaviour and discipline policy. Details are available from each school.

Parents requiring further information should seek advice from their child's school, the inclusion services team, Tel no 01925 442915, or the SENDIAS (Special Educational Needs, Disability Information Advisory Service) on 01925 442978.

Charges for school activities and remission of charges

The law prohibits charges for most activities that take place in school time. Local authorities and school governing bodies wishing to charge for any activities where this is permitted must have a policy on charging and on remission, and must draw up and maintain a written statement of policy which must be available to parents on request.

Parental access to pupils' records

Parents may inspect all parts of their child's school record. If you wish to look at your child's record you should apply direct to the school.

Parent governors

All school governing bodies include parent governors who are normally elected by parents of registered pupils at the school. Further information can be obtained from the school.

Personal property

The authority does not accept responsibility for loss or damage to personal property whilst on or left on the school premises.
